Outreach and education

[Archives Week](#) | [Teaching with primary sources](#) | [Online newsletters](#)

[Basics of Archives Continuing Education \(BACE\) program](#)

[Collections online](#) (digital archives, virtual exhibits, memory projects)

[Web-based training initiatives](#) | [Web development tools](#)

Records scheduling & disposition

[Records scheduling and disposition](#)

[General & specific schedules: State records](#) | [Local government records](#)

Special record types

The **Archives Resource Center (ARC)** was developed in response to the call for a Web-based information clearinghouse, which was the highest priority in the Action Agenda developed at the National Forum on Archival Continuing Education (NFACE).

[Governors' records](#) | [Vital \(essential\) records management](#)

[Electronic records](#) | [E-mail](#) | [Websites](#) | [Faxes](#) | [GIS](#)

[Community colleges](#) | [Government contractor records](#)

[Fire districts](#) | [Library & library system records](#) | [Business records](#)

Disaster preparedness and preservation

[Disaster planning](#) | [Salvage of records](#) | [Preservation](#)

[2005 hurricane response](#) | [Storage conditions & standards](#)

Issues & collaborations

[NHPRC funding](#) | [Joint TF on Advocacy](#) | [2005 hurricane response](#)

[Sales of public records](#) | [Access to records](#) | [Admissibility](#)

[Privacy & confidentiality](#) | [Security](#)

See also the **Archival Connections** section for information about archival professional associations and CoSA's involvement in their activities.
